Call for Submissions: Angiology Prize 2026

Awarding excellence in clinically vascular medicine research!

The Swiss Society for Angiology (SSA) is delighted to announce the Angiology Prize 2026, an esteemed award honoring an exceptional scientific contribution in the field of angiology. We invite submissions of projects that reflect high scientific quality, innovation, and strong clinical relevance—spanning basic research, clinical investigation, or translational approaches. The award will be presented at the joint congress of the German-speaking societies for vascular surgery and the Union of Swiss Societies for Vascular Diseases, held from November 4 to 6, 2026, at Bernexpo in Bern.

- | | |
|-----------------------|---|
| ✔ Who can apply? | Eligible for submission are original research projects by physicians, researchers, and early-career scientists with a focus on angiology. Submissions must be publications or manuscripts published or submitted between January 1, 2025, and April 30, 2026. |
| 💰 Award details | The Angiology Prize 2026 is endowed with CHF 10,000.–. The prize will be awarded once to a single outstanding project. |
| 🏆 Award Ceremony | The award will be presented at the General Assembly of SSA
📅 November 4, 2026, from 18:00 to 19:00 |
| ✉ Submission deadline | August 31, 2026 |
| 📁 How to apply | <u>To apply, please submit the following documents:</u> <ul style="list-style-type: none">– A cover letter– Curriculum vitae (CV)– The relevant scientific publication (PDF)– Publication confirmation (if applicable) <p>Please send your complete application by <u>August 31, 2026</u> to:
Prof. Dr. med. Marc Righini Hôpitaux Universitaires de Genève (HUG), 4, Rue Gabrielle-Perret-Gentil, 1211 Geneva 14

Thanks to Sanofi – for years of committed support!

The Angiology Prize of the Swiss Society for Angiology (SSA) stands for outstanding scientific achievement and clinically relevant research in vascular medicine. We are proud to present this award each year, made possible through the longstanding support of our trusted partner, Sanofi.

Without Sanofi's continued commitment, the prize could not be maintained in its current form. On behalf of the SSA, we express our sincere gratitude to Sanofi for its enduring partnership and valuable contribution to advancing angiological research in Switzerland.
