Mai 9, 2025, 9.00 – 16.30, Hotel Post Sargans Switzerland

MISSION

Joint discussion of professional and professional policy topics
Learning without frontal teaching
All opinions count
Building a common consent within Swiss Angiology
Shaping the future of angiology together

PROGRAM

MEDICAL UPDATE ANGIOLOGY

Benefits and significance of the international vascular guidelines for vascular medicine in Switzerland. What can we adapt?

Keynote I: New Guidelines for Peripheral Arterial Occlusive Disease

Daniel Staub / Stefan Küpfer

Keynote II: New Guidelines for Venous Thromboembolism

Marc Righini or Helia Robert Ebadi / Heiko Uthoff

Keynote III: New Guidelines for Lymphedema/Lipedema

Stephan Wagner / Lucia Mazzolai

LUNCH

PROFESSIONAL POLITICS / PUBLIC AFFAIRS

Together we will discuss important political issues affecting the future of angiology. Topics are tariffs, dealing with health insurance companies, the FOPH and the cantonal health authorities, but also with the FMH and the SIWF. Your contributions are needed, as we all determine the future!

Political Discussion I: Tariffs – Responsibility / Influence

Political Discussion II: Public authorities and insurances / Future of Angiology?

REGISTER HERE!

Your attendance will determine the outcome and the future of this conference. We therefore look forward to your participation!

Corina Canova, Kerstin Schürch, Nico Diehm and Axel Haine

THANKS FOR THE SUPPORT

Without you, but also without industry partners, it would not work. We would therefore like to thank the three partners who are supporting us for the first Angiology Day and look forward to a direct exchange with them in Sargans!
